

Announcement

The World Council of Epirotes Abroad in cooperation with the University of Ioannina, taking into consideration the current general and specific provisions as to the conducting of research and writing of a thesis, has decided to call for a competition over the subject referring to the History, the Education and the Culture of Epirotes in the United States of America.

Prospective candidates are invited to submit an application accompanied by a complete CV and a cover letter within 45 days following publication of the present announcement at the Press Office of the World Council of Epirotes Abroad.

It is noted that the nature of this research requires the candidate to relocate to the U.S.A. for a reasonable period of time, in order to conduct primary research on site. Within one year from the selection of the successful candidate, the research conducted until this point shall be assessed, in order to decide for the prolongation of the assignment.

The candidates must be holding a doctorate or a university degree from a domestic or from an equivalent foreign institution; they must be of Hellenic citizenship or of Hellenic origin and preferably from Epirus. The candidates must hold a doctorates degree or a master's degree at the minimum, from a Greek or accredited foreign university; they must be of Hellenic origin and preferably from Epirus.

For further information you may contact the Press Office of the World Council of Epirotes Abroad, under the address:
